We bring you our 2018 event in conjunction with Black Swamp Players! They will present the play and we will prepare and serve the dinner. The show is a fun-filled family musical that brings the popular board game CLUE to life. Six potential murder suspects, six possible weapons, and six rooms in a mansion. Three volunteer members of the audience choose the cards to decide who, where, and with what. The rest of the audience play the game and learn the clues throughout the performance to guess who murdered Mr. Boddy with which weapon in which room of his mansion. Songs, secrets, and slapstick! Come join in on the live game with a different conclusion each night!!
